Dear Parents

AQE Registration & Information Session- Thursday 11th May 2017

The AQE Registration process is now open. If you wish your child to sit the Common Entrance Assessment you must register your child's details with AQE. (Please note that as this test is not approved or supported by the Department of Education, Primary Schools are legally not involved in the registration process).

To provide some additional information for parents on the AQE registration process and preparation for the tests themselves we are offering an information session for parents on **Thursday 11th May, 3.10 pm Mrs Ewing's Mobile.** If you are interested in attending please complete the attached expression of interest slip. The session will last approximately 45 minutes.

Forms for Registration are available from AQE Grammar Schools or may be downloaded from the AQE website www.aqe.org.uk where other information for parents is also available. A limited number of AQE registration forms will be available from school during the Information Session.

A pack of summer preparation work will be available before the end of June for any pupils who would like it. Much of the class work we complete in school will also be of benefit to pupils choosing to sit the exam.

Key dates for next year's AQE arrangements are below.

Yours sincerely
