

Anti Bullying Questionnaire Pupil Results

THANK YOU!

RESULTS

188 pupils from P4-7 responded to our questionnaire. We had 86 girls, 94 boys and 8 pupils preferred not to share their gender.

WHAT YOU TOLD US...

1

Almost all of you said that you feel happy at school “All” or “Most of the time”.

Almost everyone said they feel safe at school.

2

3

Most of you said that pupils and adults relate positively to each other. Some of you thought this could be better.

Almost everyone said they were happy about reporting bullying. Some pupils didn't know that we have an Anti-Bullying Policy.

4

5 Some pupils display bullying behaviours by making fun of the appearance of others.

Most of you said that you have NOT displayed bullying behaviours to others. (Some of you weren't sure if you had).

6

7 Almost all of you said that you have an adult you can talk to in school if you have any bullying concerns.

YOU ALSO TOLD US...

✓ That you value Anti-Bullying Assemblies and friendship days throughout the school year.

✓ There is a difference between 'messing about' with friends and bullying.
